play the music of Rock and Roll Hall of Famers Cheap Trick

Please allow me a moment to interest you in adding **Those Men Inside My Brain** to your upcoming entertainment schedule.

Cheap Trick has been one of America's most popular and influential rock bands since I Want You to Want Me became a smash hit back in 1979. Their signature, riff-driven "power pop" style and undeniably catchy songs like Surrender, Dream Police, Ain't That a Shame, That 70s Song, and the Flame are still synonymous with rock concerts and festival stages everywhere.

Those Men Inside My Brain enthusiastically reconnect long-time fans to their favorite music from Cheap Trick's legendary five-decades career. They also introduce new audiences to the magic and excitement of the Rock and Roll Hall of Famers. **Those Men** are uniquely suited for multi-generational audiences, thanks to Cheap Trick's versions of 50's and 60's songs, their iconic albums, concerts, soundtracks, and **M**TV videos, and even a new album scheduled in 2025.

Those Men Inside My Brain are the ideal companion band in the tribute scene, just as Cheap Trick has paired with every great band, A-Z (as in AC/DC to ZZ Top!). Every combination seems like a perfect match because fans of every great rock band are surely fans of Cheap Trick, too!

Those Men Inside My Brain can play opener, feature, or headliner length sets and are eager to work with you to provide the perfect jolt to your rock-n-roll festivities.
